Akiko : Hmm. That's a good question. I'm not sure, but I think I might want to be an English teacher.

John : Oh really? Why?

Akiko : Well, I like English and I want to study abroad when I am in college. What job do you want to do?

John : My parents really want me to be a doctor, but I'm not sure. I think I want to be a musician. I really like

playing the guitar.

Akiko : Yeah, you are so good! You should try and do that!

John : Yeah, but I really don't want to disappoint my parents. I'll have to think about it more.
